

Dear Members and Friends of the Women of the University Community:

First and foremost Thank You for your past support of the Women of the University Community's **Annual Poinsettia Sale** benefiting our three endowed scholarships:

Mildred Eggers Scholarship, Ruth Tolley Scholarship & Beverly Whaley Scholarship

In 2016, we almost doubled our sales and were able to contribute even more to these important funds. In 2017, our 90th Anniversary Year, the WUC expects to continue the trend and increase sales even more! With this growth, we recognize the need to change our delivery process so we can maximize our fundraising goals for our deserving scholarship recipients.

Here are the changes we've made:

- ✿ Plants will now be available on two days. Delivery one day, Pick up another.
 - **All Deliveries on Tuesday, November 28th**
 - **All Pick Ups on Thursday, November 30th**
- ✿ Pick Ups will only be available at The Inn Complete
- ✿ Minimum order for delivery is 15 plants
- ✿ Each delivery will include a small \$5.00 fee so we can ensure all proceeds go to scholarships.
 - Delivery fee offsets – plant delivery from nursery to WUC, vehicle rental, gas
 - We are happy to deliver orders that meet the minimum. Please indicate the desired delivery location on the Order Form on the other side of this letter.
- ✿ We encourage you to pool orders with friends, co-workers and within departments/buildings so you can meet the minimum 15 items.

We anticipate a wonderful sale and thank you again for the continued support of the WUC and its scholarship program.

Sincerely,

The Women of the University Community

2017 Poinsettia Sale

All proceeds benefit our three scholarship funds: *Mildred Eggers Scholarship Fund*
 • *Ruth Tolley Scholarship Fund* • *Beverly Whaley Scholarship Fund*
